THE IDEAL PIPING SOLUTION FOR NATURAL GAS DISTRIBUTION

PRODUCT BACKGROUND

- WL Plastics piping for gas distribution is unmatched in quality and performance
- All WL Plastics manufacturing facilities are certified in accordance with the latest edition of ISO 9001

PRODUCT OPTIONS

- ¾"-24" IPS & CTS sizes
- Bimodal, PE4710
- Yellow stripe
- Bar coding to meet ASTM F2897

PRODUCT FEATURES

- WL Plastics piping for gas distribution is extremely tough
- Minor scrapes incurred during installation do not affect the long-term integrity of the system
- Provides greater strength for higher pressures or at lower temperatures
- Provides reserve strength for pull-in installations such as directional drilling
- Unlimited outdoor exposure to ensure pipe performance requirements are maintained
